

Docket KNI-201-A

**SUPPLEMENTAL DECLARATION**

I, Tomonobu Matsuda, as the inventor named in the application for letters patent for an improvement entitled FLOW CELL AND PARTICLE MEASURING APPARATUS USING THE SAME, Serial Number 10/528,900, filed in the United States Patent And Trademark Office on 23 March 2005 and also bearing a filing completion date under Section 371 of Title 35 of the United States Code of 23 March 2005, hereby declare that the subject matter of the amendments filed on or about 23 March 2005, 24 July 2006, 18 August 2006, and 24 October 2006 was part of my invention and was invented by me before the 27 September 2002 filing of International Application PCT/JP02/10104, of which the U.S. application identified above is the National Phase application in the United States and from which the application identified above claims priority.

**ACKNOWLEDGEMENT OF REVIEW OF PAPERS  
AND DUTY OF CANDOR**

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
